

Ava

2yr, young, spayed female, fully vaccinated, house trained

Small size - approx 40lbs with very sensitive spirit

Great eye contact, bedtime cuddler, Crate trained

Greets every morning with joy and wiggles

Enjoys her play routine with toys & kong ball

Can be protective of toys around other dogs

Foster states she is "dog selective" (calm/older dog seem best)

Learning "loose leash" walking (not a strong puller)

Loves exploring with her nose

Growing in confidence with life & people - mostly adults

AVA's initial demeanor is shy & fearful (more so with men);

she requires time & patience to get acclimated to new

people environment (consistent routine, a little playtime & treats help)
