GRACIE NEEDS a FOSTER OR ADOPTER

Previous foster stated: *"She is such a FUN girl; especially when it comes to playing with her new found TOYS ! She plays fetch and will then jump hop to pounce on the toy."* She has been known to do some short **zoomies** when super excited. AND.... she's a **BIG CUDDLER** and loves to snuggle for naps (an important part of her day). She is a **smart cookie with a sensitive spirit**, mixed w/a little apprehension when corrected.

GRACIE is almost a year young, spayed, current on all vaccines, crate trained, house trained, flea/tick free, hw free, and had a short term stay w/older MALE dog of similar size who taught her some "dog" appropriate behavior. She is about 55lbs currently. On leash, she will walk at a slow meandering pace (no pulls); moves when she wants to, LOL And, stops when she hears an unfamiliar sound or dog bark.

She MAY be timid and cautious of new people AND new or unfamiliar sounds; but each day she is learning to be brave as loud unfamiliar sounds (dishwasher or washing machine) may cause her to bark from fear. **Patience and gentle guidance will be most helpful for GRACIE** with any new life experiences she encounters no matter which home/family chooses her as a furry companion.

She is currently located in Miami County, OH

A fenced yard is always our preference for these furry companions. We recommend children older than 12 for this girl who has much to learn. Adoptions are usually within 120miles of Miami County.
