

Gracie

GRACIE NEEDS a FOSTER OR ADOPTER as she is currently in boarding (Tipp City, OH) Her short term foster stated: GRACIE is such a FUN girl; especially when it comes to playing with her new found TOYS ! She plays fetch and will then jump hop to pounce on the toy. She has been known to do some short zoomies when super excited. AND.... she's a BIG CUDDLER and loves to snuggle for naps (an important part of her day). She is a smart cookie with a sensitive spirit, mixed w/a little apprehension when corrected. While in boarding GRACIE enjoys: meandering/ exploring, running, playing with a jolly ball, and tennis ball and tether ball and a few golf carts rides around the complex too.

When ON LEASH, GRACIE will walk at a slow meandering pace (no pulls); loves to do "nose work" on her walk (of course, don't all dogs?) And, stops when she hears an unfamiliar sound or dog bark.

GRACIE is almost a year young, spayed, current on all vaccines, crate trained, house trained, flea/tick free, hw free, about 55lbs, and had a short term stay w/older MALE dog of similar size who taught her some dog appropriate behavior. Although Gracie may enjoy the company of calmer male dog ; boarding staff noted she would do best as the only female dog in the home. She is smart, spunky, easily trained, full of wiggles and love".

She MAY be a bit timid (initially) of new people AND new or unfamiliar sounds; but is showing much more confidence each day . When she feels comfortable GRACIE will give you lots of kisses, and will ALWAYS sit for treat ;-) Patience and gentle guidance will be most helpful for GRACIE with any new life experiences she encounters no matter which home/family chooses her as a furry companion. When you MEET this girl it is SOOO EASY to fall in LOVE with her.

She is currently located in Miami County, OH

A fenced yard is always our preference for these furry companions. We recommend children older than 12 for this girl who has much to learn. Adoptions are usually within 120miles of Miami County.
