

Gracie

GRACIE we estimate is almost a year young, full of Puppy-ness, Now in short term foster, ends JULY 5th.

Current foster states: "She is such a FUN girl; especially when it comes to playing with her new found TOYS! She plays fetch and will then jump hop to pounce on the toy." AND... she has been known to do some short zoomies when super excited. AND... she's a BIG CUDDLER and loves to snuggle for naps (an important part of her day). She is a smart cookie with a sensitive spirit, mixed w/a little apprehension when corrected.

GRACIE is now spayed, current on all vaccines, flea/tick free, hw negative, crate trained, house trained, and living w/older dog of similar size who's teaching her to "dog" appropriate behavior; she takes correction well from the older dog. She is about 55lbs currently. On leash, she will walk at a slow meandering pace (no pulls); moves when she wants to, LOL And, stops when she hears an unfamiliar sound or dog bark.

She can be timid and cautious of new people AND new or unfamiliar sounds; each day she is learning to be brave as loud unfamiliar sounds (dishwasher or washing machine) make her jump and bark from fear. Patience and gentle guidance will be most helpful for **GRACIE** to become even more brave with all the new life experiences she will encounter in a new life journey no matter which home/family chooses her as a furry friend/companion.

She is currently located in Miami County, OH

A fenced yard is always our preference for these furry companions. We recommend children older than 12 for this girl who has much to learn. Adoptions are usually within 120miles of Miami County.
