

Peanut

Ladies, gentlemen, and people who appreciate a man with absolutely ZERO reproductive responsibilities... MEET PEANUT!
PEANUT: ALL THE BALLS, NONE OF THE CONSEQUENCES.

This guesstimated 1-year-old, 50-pound hunk has been neutered, vaccinated, and is officially ready to settle down. He's got no balls of his own, but BOY, DOES HE LOVE YOURS!

And before you get any ideas, I am talking 🎾 TENNIS BALLS 🎾 GET YOUR MIND OUT OF THE GUTTER! But seriously, this little peanut is the WHOLE PACKAGE. Well, most of the package.

🎾 50 pounds of pure peanut perfection. Fully grown, so no surprise 100-pound teenager showing up at your door.
🎾 BALLS ARE LIFE. Throw one. He'll chase it. Throw another. He'll chase that one too. He's not complicated, folks.

🎾 NEUTERED AND READY TO MINGLE. No baby Peanuts on the way. He is not cut out for #dadlife but he is cut out for pursuing a career in professional fetch.

🎾 CERTIFIED SNUGGLE BUG. He loves people, affection, cuddles, and being told he's adorable. Honestly, same.

🎾 DOG-FRIENDLY. He enjoys the company of other dogs and would do well with some four-legged friends.

🎾 CRATE-TRAINED & HOUSE PROUD. Keeps his crate clean! This boy has better bedroom manners than some humans I've met.

🎾 PEANUT BUTTER CONNOISSEUR. Loves most treats, but peanut butter is clearly the way to his heart. He's literally named Peanut. The marketing practically writes itself.

🎾 APARTMENT-SIZED HEARTBREAKER. At a perfectly manageable 50 pounds, he's a great size for condo or apartment living with appropriate exercise and playtime.

Let's recap: He's handsome, affectionate, neutered, vaccinated, crate trained, dog-friendly, loves people, keeps a clean space, and has a serious ball addiction. Life is too short for boring dogs, and this little dude is proof that you don't need balls to be the life of the party! THE ONLY THING THIS BOY IS MISSING IS A HOME AND SOMEONE WILLING TO THROW A BALL UNTIL THEIR ARM FALLS OFF.

PEANUT is in need of a FOSTER or ADOPTER who appreciates a little humor, a lot of snuggles, and a dog whose favorite hobby is chasing balls he no longer possesses.
