

Rosie

ROSIE is READY for ADOPTION - *currently in foster care*

She is approx 4yrs young, spayed, and like ALL of our rescued pets... fully vetted, crate and house trained, flea/tick and heartworm free. In the past, this girl was used primarily for breeding; but no more for this gentle lady.

ROSIE is a quiet, calm, introvert, and can be a bit timid of new life experiences outside of her yard and home. Once she has gained your trust, her loyalty will be tremendous. Other dogs don't seem to interest her; they seem a bit noisy and scary to her. **She rarely barks, walks great on leash, and will chase a rabbit if it comes in her yard.**

She will thrive with a person who provides patience, gentle guidance, and some butt rubs to help her feel comfortable, safe and secure with new life journey. **She is a wonderful girl content to be** a "couch potato" companion to someone who enjoys a calm and quiet lifestyle or taking short walks when weather permits. A true treasure waiting for a forever home and family.

A fenced yard is always our preference for these furry companions. We recommend no children for this girl (at this time). Adoptions are usually within 120miles of Miami County.
