

Willow

Willow is a young (maybe 2 yr) spayed female, crate trained, house trained, completely vetted, walks well on leash, rather independent, and is learning to play - appropriately, with her furry friends. She lives with other dogs currently in her foster home, but does BEST with dogs her age and size; she prefers to be the dominant female. She is a smart girl, patient and playful, loves her belly rubs and will sit for hours "on guard for squirrels". This girl requires a fenced yard and a leader willing to REMIND her about rules, routine and boundaries. We believe Willow to be a terrier/boxer mix so exploring the great outdoors is FUN, chasing squirrels, zoomies, and rabbit hunting is also a FUN and frequent activity for her, along with play time of her favorite squeaky toys and rope ball and chewing.....and thankfully she is happy to relax wherever you are after her playtime. She is currently in Miami County, OH Adoption application is located on the ADOPTME page at Dream4pets.org website.
